327 LOCUST LANE MT AIRY NC 27030**

**SELLING 13 GRASS EFFICIENT MATERNALLY
ORIENTED BULLS & 40+ HIGH QUALITY
REPLACEMENT FEMALES**

WELCOME TO THE 4TH ANNUAL BLUE RIDGE BRUTES BULL AND COMMERCIAL FEMALE SALE

Welcome friends, to the 4th Annual Blue Ridge Brutes Bull and Commercial Female Sale. We have carefully selected and developed a set of bulls and females with the commercial customer in mind. These bulls have been run just like your commercial herd. They have been fed a limited ration to express their genetic potential, but they are not fat. The females are straight from the middle of our operations. They will be moderate framed, tight uddered, and efficient grass conversion machines that will rebreed and raise a calf every year. The herds represented here operate in a fescue grass environment where cattle must process a forage based diet, wean calves, and rebreed on limited management. The herds of cattle behind these sale animals are maternal in every way. Buy with confidence, we stand behind what we sell!

Thanks for your interest and attendance!

Derek

John

CLAYJOHN FARMS

We are a small cow/calf operation located in Wilkes County, NC. We have been raising cattle for three generations and the fourth has arrived. Our founder, Clayton Yates, started our registered business when he went to Stamey Farm Sale in Statesville, NC, and since then we have been hooked on Gelbvieh. ClayJohn Farms has worked diligently raising Gelbvieh cattle and improving herd genetics for 24 years.

We have been a member of the American Gelbvieh Association since 1999. In 2020, to expand our genetics, we joined the Balancer Bull Futurity ensuring that our farm gets access to the best of Balancer genetics to bring to you. We are a small farm with big genetics and we are proud to be working with Derek Goddard on the Blue Ridge Brutes Sale. See you on sale day.

GODDARD FAMILY FARMS

Designated by the North Carolina Department of Agriculture as a century farm for over 100 years of continuous agricultural production, the farm got its start in commercial cattle, which consistently topped the market and weaned the heaviest calves in the area. Since, it has evolved into a progressive seedstock operation that strives to produce cattle that will be well-adapted to fescue and excel in functional economic traits in our Southeastern climate. Our cattle philosophy is simple. No Fads and No Extremes! We expect our cattle to be fertile, efficient, sound in feet and confirmation, and wean calves at least 50% of the dams weight. Our cattle perform on grass and with the same management considerations that our neighbors use. Our cattle graze on forage and are fed hay and baleage during the winter months. We believe that a sound commercial operation must employ a well thought out cross breeding system, leading us to the decision to utilize Simmental cattle in our program. The bottomline is that our cattle are maternal in every way. Breeding cattle this way is a marathon and not a sprint! We employ a battery of walking herd bulls that are expected to do what God designed them to do. Multiply! We also use AI and ET technologies on our very best proven mature females. We do not flush heifers. Visitors and inquiries are always welcome.

BLUE RIDGE BRUTES

BULL AND COMMERCIAL FEMALE SALE

SATURDAY FEBRUARY 14TH 2026

AUCTIONEER: Dustin Rodgers 336-409-5498

SALE DAY PHONE NUMBERS:

Derek Goddard..... 828-964-9349
John Yates..... 336-957-0859
TR Nichols..... 336-927-1688
Joey McGraw..... 336-657-0047
Grayson Yates..... 336-452-4118

ABSENTEE BIDS:

Buyers unable to attend the sale may send their bids to the Field Representatives or Auctioneer. If you wish to participate via phone in the auction, please contact us for a conference line #.

INDEPENDENT REPRESENTATIVES & PHONE BIDS:

John Barnes - Bravo Cattle Company - 252-230-0605
John Cothren - NCSU Livestock Extension Specialist
336-957-1213

LUNCH:

A complimentary Beef Lunch will be provided starting at 11am

DELIVERY:

Truckers believed to be reliable will be available to haul your purchases. It is the buyer's responsibility for trucking. Call or text TR Nichols (336-927-1688) for assistance with trucking.

HERD HEALTH:

All bulls and females sell fully guaranteed to be breeders and in A-1 health. Successful Breeding soundness exams have been performed on all bulls in the sale by Johnathan Wesson, DVM.

Out of State health papers are available upon request. All commercial Females sell as either guaranteed BRED or Open and Sound Breeders. Any claims from the Buyers about females or bull soundness shall be made within 6 months of the sale.

INCLEMENT WEATHER POLICY:

In the event of inclement weather, an announcement will be made via the Blue Ridge Brutes Facebook Page.

SUPPLEMENT INFORMATION:

A supplemental sheet will be available sale day with complete and up-to-date information. Announcements from the auction block take precedence over sale book information.

TERMS & CONDITIONS:

Cattle will sell under the suggested Terms and Conditions of the American Angus Association.

VIEWING:

Cattle will be available for viewing no later than 4pm on Friday, February 13th.

FEMALE MARKETING:

Buyers of Bulls in this sale will qualify to consign commercial females in the following years. Inquire with Derek for more details.
